## Cultural Statistics

2009

---

### Statistics Portugal publishes 2009 data on culture

Statistics Portugal releases the publication *Cultural Statistics - 2009*, which provides the most recent statistical information on different cultural domains.

---

The publication *Cultural Statistics – 2009* makes available statistical information on various cultural domains in the context of education, employment, enterprises, international trade in cultural goods, cultural heritage, visual arts, periodical publications and literature, cinema and performing arts, broadcasting and public financing of cultural activities. This information is preceded by a chapter where the main results are analysed, in order to facilitate an immediate understanding of the trends illustrated by the main indicators in the cultural area.
